

President's Message

Greetings and Happy Spring!

President-Elect Patti Blackwood is filling in for President Anne Barton who is recovering from surgery.

True to the tradition of the Prescott Branch of AAUW, we have had another month of entertaining and educational meetings, programs, and gatherings, all in the name of making a difference in the lives of women and girls in Prescott and the surrounding area.

Our April General Meeting brought together a group of representatives from four local agencies that provide assistance and support to women and families in the area: Stepping Stones, Arizona Women in Education and Employment (AWEE), Big Brothers/Big Sisters, and Granite Peak Neighborhood Education Project (GPNEP). They presented a fantastic program that introduced us to ways we can help them provide opportunities for education and success in the lives of local women and girls. If you missed the meeting, you missed out, and we missed you. Don't miss the next one!!

Included in our April General meeting was a business meeting in which we elected officers who will help provide leadership for the branch for the next year. Our incoming slate includes the following offices: President-Elect, Gail Shay; Membership Co-Vice President, Marlene Walsh; and Program Co-Vice President, Annette Gauthier.

We congratulate each of these women and thank them for their willingness to serve.

Finally, on behalf of your President, Anne Barton, I extend thanks and appreciation for all of your many cards, calls, and emails of support and love after her recent surgery. What a fabulous group of women you are! Your well wishes and expressions of care and concern definitely put her on the road to recovery. She looks forward to being back with us soon.

Be sure to attend the next General Meeting on May 10 at Prescott Center for the Arts with Executive Director, Jon Meyer.

See you soon!

Patti Blackwood, President-Elect

Meet Your AAUW Officers For FY 2014-2015

The Nominating Committee of Patti Blackwood, Gail Shay, Deb Dillon, Linda Schmitt and Nancy Del Mar are pleased to announce the slate of officers for 2014-2015. The following nominees were approved unanimously at our April General meeting:

- **President-Elect: Gail Shay**
- **Membership Co-VP: Marleen Walsh**
- **Programs Co-VP: Annette Gauthier**

Other elected officers who will be serving the second year of their two-year terms are as follows:

- **President: Patti Blackwood**
- **Membership Co-VP: Deb Dillon**
- **Program Co-VP: Carol Clayton**
- **Treasurer: Jenine Peterson**
- **Recording Secretary: Sara Wolters**
- **Corresponding Secretary: Julie Cargill**

Congratulations to all our officers, both first years and second years. AAUW-Prescott has a dynamic group of women and we all appreciate the officers' commitment to our organization.

Member Directory Coming in September

Did contact information change for you?

Our 2014-15 Directory will be distributed at the September meeting, and we'd like it to be correct.

Please verify your current listing and let us know if anything has changed (names, phone numbers, address, or

email address—weight gain or loss does not count!)

Please contact Gail Shay, Membership Co-VP.

Thank you so much.

Membership Renewal FY 2014-2015 July 1, 2014 through June 30, 2015

It is time to renew your membership for the next year, beginning July 1, 2014. Dues are \$85 annually, of which \$49 goes to national membership, \$9 goes to AZ state membership, and \$27 goes to AAUW-Prescott. \$46 of your national dues is tax deductible. **The deadline for renewal is June 30, 2014.**

1. **Option One:** Pay your dues by check (made out for \$85 to "AAUW-Prescott"), and send to our Treasurer, Jenine Peterson at her address (in the directory).
2. **Option Two:** Pay your dues online by credit card. Go to www.aauw.org, and follow these instructions: *(Note: Some members have been getting error messages when using Internet Explorer to renew online. If this happens, try a different browser: Mozilla Firefox or Google Chrome)*
 - Click Login (small menu at top of page).
 - Enter member number or click on Register if this is your first time here. 2a) If you know your member number and password, enter them and click login. 2b) If you have to look up your member number and/or password follow instructions to retrieve it.
 - When you are successfully logged in, scroll down to the bottom of the page and click on Member Tools.
 - Click on "Enter Here" at the bottom of Member Services Database
 - Click on "Enter Member Services Database" Check to see that your demographic information is current. If it isn't, change it.
 - Click on "Renew My Membership."
 - Fill out the form with required info and credit card information
 - Submit. —J. Peterson

Since AAUW's founding 130 years ago, its members have examined and taken positions on the fundamental issues of the day — educational, social, economic, and political.
Membership in AAUW empowers us all!

May Program at Prescott Center for the Arts

Brings a Change in Venue

Because of graduation activities at Yavapai College, the Community Room in the Library will not be available in May.

So... if you go to our regular meeting place for our May meeting, you'll know you're a creature of habit! But, with just a moment of trying to figure out if it's the right day, right time, and right place, you'll suddenly remember that you should be at the **Prescott Center for the Arts at 208 N. Marina St. for this month only!**

You may be slightly embarrassed, but you just may find some others have forgotten too. The good news is, if you don't tell anyone, none of us will even know!

We'll start the Saturday, May 10th morning out in the Gallery, downstairs on the Willis Street side, enjoying Starbucks Coffee, water, and lots of delicious goodies. There will be time to socialize and look around this lovely space— and perhaps you'll be inspired to support the Center by making a purchase. There will be volunteers there to help you and to answer questions about any pieces of art and other unique items created by local artists.

The program will be upstairs in the theater (no coffee, please). After announcements, Jon Meyer, Executive Director of the theater, will present the program. The backdrop for his presentation will be the set for the theater's final production of the year—*Les Miserables*. Among other things, Jon will tell you how to get tickets for the show!

Did you know that the theater was once the original Catholic Church in Prescott? You'll learn all about the history of the building and its many uses today and Stage Too, the newest locale for PCA productions. He'll no doubt fill us in on what's in store for summer and fall too.

Jon is planning to have a little fun with us, too. If you've ever wanted to be on stage, this may be your chance to shine in the spotlight!!!

Mark the date, May 10th, on your calendar and be ready for a fun-filled morning with your AAUW friends and Jon Meyer at Prescott Center for the Arts. *Lynne Murphy*

Summer Membership Social is Highlight of June Meeting

Invite Prospective Members!

This year's Summer Membership Social will be held on **Wednesday evening, June 11th from 5:00 to 7:00 PM in the Community Room of the Library at Yavapai College** (the same room where our general meetings are held) .

Our June meeting will begin with member-supplied appetizers and desserts at 5:00. Prospective members will have a chance to move through the AAUW member displays, learning more about our various groups. The evening will wrap up with a message from our 2014-15 President, Patti Blackwood; other members will highlight information about the Community Action and Public Policy Committees.

Please sign up to bring a dish to the Membership Social! Donna Gaddy will have the signup sheet at the May meeting, or you can contact her by email (see directory). Our members' contributions to this event have been outstanding in the past, and we hope you will be just as supportive this year.

As with previous Summer Membership Socials, this is an evening when our group leaders highlight the benefits and advantages of membership. Representatives from our Public Policy Committee, Community Action Committee, and Interest groups will display and talk up their activities. Lined along the perimeter of the room, the displays in the past have been vibrant and informative. This year will be no different.

We do need volunteers to help make this introduction to our branch an engaging and informative event for prospective members. Donna Gaddy will be contacting group leaders and arranging details for a delightful evening. *Patti Allen-LaFleur*

The Garden Group shares a laugh on a recent trip to the Phoenix Art Museum.

Sara Wolters shows off her “\$85 Hat”, a delightful gem she created during a recent Craft Group meeting. (Do you recognize the reference to an “\$85 Hat?”)

Donations to AWEE and Stepping Stones were generous and well-received. Thanks to all who helped these worthy causes.

The April General Meeting was an informative and moving account of volunteer opportunities that promote the education and welfare of women in our community.

Top L-R: Julia Goswick (Big Brothers, Big Sisters), Patricia Trevillian (Arizona Women in Education and Employment-AWEE)

Bottom L-R: Cori Burke (Stepping Stones), and Chery Berryll (Granite Peak Neighborhood Education Project-GPNEP)

A wonderful composition taken at the Phoenix Museum of Art during a recent visit by the Garden Group.

April Public Policy Program Featured Tim Carter

Our April Meeting was held on Tuesday, April 1 in the Founders Suite at the Prescott Public Library. Tim Carter, Yavapai County Schools Superintendent, was our presenter. At the request of the committee, his topic was Charter Schools. The meeting was well attended and very informative.

Mr. Carter gave a presentation covering current formation, governance, funding, and regulation of charter schools in Arizona.

He accepted questions from the committee and, as always, invited those present to continue dialogue and questions by email. —Debra White

Shelia Polk to Discuss MatForce in May Public Policy Event Open to all Members

The May 6 meeting will be the final Public Policy Meeting for this year. The meeting will take place at **1:00 PM in the Founders Suite at the Prescott Public Library.**

The topic for our May Meeting is Prescott MatForce, whose vision statement is “Working together, reducing substance abuse in Yavapai County.” Yavapai County Attorney Shelia Polk will present information on the education programs put in place through MatForce.

All Prescott Branch members are especially invited to attend this relevant presentation.

April was an informative, exciting month for Public Policy and May will prove to be just as stimulating. We are ending the year, and ending on a high note.

—Debra White

Author Event & Raffle in August to Support Scholarship Fund
Volunteers needed for basket donations

The scholarship fundraising committee is making great progress in the planning of the **August 23rd Author Event**. Our authors are AAUW member Susan Lanning, mysteries and thrillers; Lisa Schnebly Heidinger, Arizona images and stories; and Susan Lang, western literature. All three authors live in the area. We have the menu selected, the venue reserved (YC Community Room), and flyers ready to go. So mark your calendar for August 23rd!

We are now focusing our efforts on obtaining raffle baskets. We have about 4 committed, but we could use more. Are you interested? We hope so! Please talk to your interest group members to put one together.

We are also hoping to find corporate and/or business sponsors for the event. Do you know someone who works for or owns a company that would benefit from the graduates of the STEM programs? –*Elaine Smith*

Scholarship Fund Update
Monies for Scholarships Greatly Appreciated!

The Scholarship Committee works hard all year to raise and then keep track of the funds generated for our scholarships. As of January 31st of this year, The Mary Alice Moulton Childcare Assistance Fund (MAM) is worth \$46,239.72 and the AAUW Centennial Scholarship is worth \$12,200.61.

Once again, AAUW-Prescott will be able to give four \$500 scholarships for childcare at the Del E. Webb Family Enrichment Center. Additionally, for the first time, we will be able to award a \$500 scholarship to a second-semester female student, with at least a B average, who is pursuing a STEM-related program at Yavapai College.

In April, Elaine Smith had the good fortune to meet one of our MAM scholarship recipients. Dove is a mom of two, one of whom attends the Family Enrichment Center. She works full time at Washington Traditional and is a part-time waitress at Papa's Italian Restaurant. Initially, she thought about majoring in Elementary Education, but now is leaning toward Speech Therapy. With the scholarship, Dove said she was able to breathe a sigh of relief during the two months that our scholarship covered the childcare tuition.

Thank you all for making it possible for these women to better their lives. –*Elaine. Smith*

Photos taken by the Photography group at the Desert Botanical Gardens in April Inspire and Impress!

Neighborhood Meetings Offer Perspective *Patti Blackwood Reports Back, Part 1*

In March, in lieu of our usual General Meeting at Yavapai College, we enjoyed eight neighborhood meetings where we gathered in the homes of members. These meetings gave us an opportunity to meet socially with those members who live close to us, including those we may never have met. They also allowed for group discussions and a voice in the future direction of our branch.

To that end, each group meeting considered and discussed a number of questions regarding their views and reactions to the current workings of the branch. **Below are responses** to the request to comment on “suggestions for the communication committee,” **specifically addressing thoughts about branch emails, the website, and the Thumb Sketch.**

Regarding branch emails, the general consensus of all the groups was that the number of branch emails has decreased recently, which is appreciated. There was also appreciation of the fact that certain activities necessitate a “blast” to membership, but, for the most part, emails are limited to a “need to know” for specific members.

Many members check the website regularly and appreciate the fact that it is updated in a timely manner. The tutorials at the General Meetings were thought to be “very helpful.”

Regarding the “Thumb Sketch,” it is well read by the membership and articles regarding future events for the branch are most appreciated.

In general, the **branch’s means and manner of communicating works well** and keeps the membership well informed.

An article in the July-August issue giving feedback on the Neighborhood Meetings will report on Interest Groups and General Meetings.

Cathy Cunningham: AAUW Board Member Representative on YRMC Council of Electors

AAUW is one of 26 organizations sitting on the Council of Electors, the body that elects the Board of Directors for Yavapai Regional Medical Center (YRMC). AAUW board member Cathy Cunningham has served as the council chair this year. Below is a brief history of how this council was established.

Before the mid-1980s, members of the Board of Directors were elected by popular vote. However, as health care became increasingly expensive and complex, it became apparent that the YMRC Board of Directors needed to understand business and finance, planning, management, and the role of the board in policymaking. In a general election in 1988, voters agreed to establish Council of Electors to select hospital board members.

Representatives from each city council and public school district, colleges, county supervisors, and a variety of community groups participate in this council. AAUW has been a member of this council since its inception. It is a requirement of the Council of Electors that our representative also be on our own AAUW-Prescott Board of Directors.

The council meets several times during the year to determine the interview process and questions to be asked of all candidates, to review resumes of candidates, and to interview those they select as strong candidates. Based on these interviews, the council then selects the people who will serve on the Board of Directors for the next five years.

Cathy Cunningham

Patti Blackwood (l) and Gail Shay (r) look forward to serving together as President and President-Elect for 2014-15.

AAUW AAUW AAUW **Community Action Works!** AAUW AAUW AAUW

Spring Training Set to Go!

Last chance to assemble a team ready for fall! If you have wanted to mentor a Yavapai student who is returning to, or starting, college, come to the **mentor-training workshop on Thursday, May 29, at 10 a.m.** We will meet in the Learning Center conference room for the training, then tour the campus to identify good spots for mentoring. We will conclude our morning with lunch at the cafeteria, another good place to meet students.

Our Woman-to-Woman mentoring program is unique among Arizona's AAUW branches, and central to the Prescott Branch's Community Action outreach activities. Give it a go—we all know how valuable a college education is!

RSVP Claudia Greenwood or Sharon Scanlan by May 20. —*Claudia Greenwood*

Do you have unsolicited/unused AAUW stationery? Each year members receive some; each year we send congratulatory notes to our "little sisters" upon their graduation. This year there are nearly 30! We appreciate the donation, as cards are not in our budget!

Please bring notes/envelopes to the May meeting. Membership VPs will accept them.

Clothing Donations Are "Tops" *Great Job, Ladies!*

You are the best! When asked to clean your closets for AWEE and Stepping Stones, you responded so generously that we filled two cars! Ultimately, those donations will help fill many more closets in Yavapai County.

If you missed the April meeting, or want to donate additional items, AWEE in Prescott will gladly accept your donations at their office on Whipple Street (805 #C), across from the Prescott Medical Imaging building. Besides clothing, there is also a need for shoes, accent pieces, purses, and jewelry. The AWEE office is open Monday – Thursday, 8:00 AM– 5:00 PM.

Stepping Stones, the love child of AAUW Prescott in the 1970's, will also accept donations at their Prescott Thrift store in the Park Plaza near the Goodwin Street Medical Supply. The Thrift Store is open from 9:00 AM – 5:30 PM, Monday through Saturday.

Your Community Action team is proud of you!
—*Claudia Greenwood*

Shedding the "before"--sporting the "after!" A visit to the AWEE closet creates amazing results!
Kathy David of AWEE

In Memoriam

Worth Mallory, Dedicated Educator

Worth Mallory, the beloved husband of May Mallory, passed away on March 4, 2014. He was 95 years old.

Mr. Mallory's career was devoted to education and included years as a teacher and as a high school principal. Moving to Prescott to retire in the mid 1980's, he met and married May. Both were active members of AAUW. Avid bridge players, May and Worth were founding members of the AAUW bridge group, formed in 2000. Additionally, May and Worth were both members of our branch during the years when we were advocating for a childcare center in Prescott. Worth served on our board as Educational Equity Chair in 2000-01.

Many members have recalled his generosity and kind spirit. "He was truly a wonderful person and anyone who knew him respected and loved him," wrote one of our members in an email to the Thumb Sketch editors, "He made the world a better place."

Indeed, Mr. Mallory cared very much about young children and considered it his mission to promote their well-being and education. To that end, he and May established the Worth and FEC Endowment Fund for the Del E. Webb Family Enrichment Center (now FEC) at Yavapai College with a substantial donation in 2013. Designed to create a sustainable revenue stream for the program, Mr. Mallory hoped to see their fund support "progressive advances" in early childhood care and education.

"May and I see this as more than a donation," said Mr. Mallory. "We see it as an investment in the future of children in Yavapai County."

Through our own scholarship fund that supports mothers whose children attend FEC, AAUW-Prescott is honored to help uphold Worth Mallory's vision for quality education in Yavapai County.

Regional Conference in Reno Draws Many from Around the West

The next Rocky Mountain Regional AAUW Conference will be held in Reno, Nevada, in June. The program is in the works, and participants are expected from New Mexico, Utah, Colorado, Wyoming, Montana, Nevada and Arizona. Some Arizona members are already planning to go, to enjoy the meetings, to renew friendships started some years ago at other conferences, and to enjoy the Siena Hotel which sits on the bank of the Truckee River in downtown Reno.

The dates are June 6, 7, and 8, a Friday, Saturday and Sunday. So far, we know this much about the program:

- Patricia Ho, AAUW National President, will be the dinner speaker on Saturday evening.
- The theme: The Western Woman – Her Attitudes, Values and Priorities will be presented by a speaker from Project New West, an organization that has years of research on trends, issues and demographics in the west.
- A workshop on Politics vs. Partisan
- A program by Awaken, a Reno nonprofit whose mission is to help women who are victims of commercial sex trafficking.

Each state is to bring a presentation, so there will be other informative sessions. There are still openings for ideas, especially as Arizona has not yet determined the topic or format of its presentation.

If you have questions, suggestions, or want a ride to Reno, contact Sara Wolters. –S. Wolters

Dreams to Reality 2nd Year Sees 50% Increase

On March 22, from 8:30 a.m. to 4:30 p.m., at Yavapai College, AAUW members partnered with local agencies, including the Girl Scouts and Northstar Youth Partnership, to present a unique, hands-on simulation for seventy-seven 8th grade, high school, and college-age women and girls entitled, “Dreams to Reality[®].” This included The Reality Store[®] in the morning and the opportunity to interview successful Prescott women about their careers in the afternoon. It was the second year of this program and the number of girls attending increased by 50% over last year!

At The Reality Store[®], students selected a career they would like to have as an adult. They were then given a register containing the amount earned as an average monthly salary in that occupation. The students then went through the Reality Store[®], staffed in part by AAUW members, spending their salary by making active choices on the necessities and luxuries they envision as part of their adult lifestyle. This simulation helped students to learn to budget and to discover whether their selected occupation would provide the type of lifestyle they expect and want.

The Reality Store[®] simulation helps young people examine their attitudes about their futures and their career expectations. They learn basic skills in money management, how to make good choices, and the ins and outs of career planning. This valuable program aims to inspire students to stay in school, stay away from drugs, and to avoid early pregnancy.

The afternoon Career Fair included 18 local women in fields that included STEM, Medicine, Arts/Humanities, Legal, Non-Profits, International Development, Global Business and Non-Traditional fields for women.

Evaluations were very positive from both the girls and volunteers. Some made suggestions that we will consider for changes for next year’s program: we are always working to improve and grow.

Thank you to all of our members who participated—we appreciate your support! If you

would like to be on the planning committee for next year’s event please contact Pat Mann. —Pat Mann
